## The FEDERAL BUDGET

Fiscal Year  
1961  
Estimate

Billions of Dollars

What is the major activity of the Federal Government?

**WAR**

The individual feels helpless before the threat of nuclear war and the might of the Federal Government. But every individual has the choice of paying or not paying for that which threatens all.

What is the major source of Federal income?

**The Individual Income Tax**

THIS IS WHY

## Eroseanna Robinson Refuses to Pay Taxes

"I have not filed income taxes because I know that a large part of the tax will be used for militarization. Much of the money is spent for atom and hydrogen bombs. These bombs have a deadly fallout that causes human destruction, as it has been proved. If I pay income tax I am participating in that destruction. We have a duty to contribute constructively to life, and not destructively."

—So spoke Rose Robinson on Jan. 27, 1960 to Federal Judge Robson (Chicago) when brought into court. She later was sentenced to a year and a day, and is now at the Federal Reformatory for Women in Alderson, W. Va. Since her arrest and jailing on Jan. 26 she has eaten nothing. Authorities began force-feeding on Feb. 16.

*Cast your whole vote; not a strip of paper merely, but your whole influence. A minority is powerless while it conforms to the majority—it is not even a minority then. But it is irresistible when it clogs by its whole weight.*
